

INVITING,  
TACTILE,  
SUMPTUOUS  
AND SPLENDID...

**Tips to remember!**

We offer many more add-on Suite pieces on page two of our pricing guide but below you will find our basic pricing for our most frequently ordered pieces in both 1 color & 2 color.

It is always a good idea to order slightly more than your initial estimate to prevent re-printing costs!

Are you on a budget but love the look of 2 color letterpress?  
Save money by ordering your invitation piece in 2 colors with additional pieces in 1 color.  
Letterpress envelope printing is beautiful, but many couples opt to DIY with an address stamper or embosser.  
Another option would be to ask a friend with interesting or neat handwriting to help.

These prices are for any style from our Signature Collection, viewable online in our "Invitations" section.  
Don't forget, these styles are customized to reflect your favorite colors, fonts & layout.  
And a truly Custom design is always an option, contact us with your ideas & for pricing info.
